

# FULL STEAM AHEAD, Europe!

## 'It Takes a Village'

It takes a village to raise a child!  
Everybody needs somebody once in a while.  
A friend to depend on, or a helping hand;  
A sign to show that we understand.

It takes a village to raise a child!  
Everybody needs somebody once in a while.  
The whole world's a 'virtual' community;  
We're all a part of one big family,  
We're all a part of one big family!

One can make a difference,  
Two can do much more.  
Three's even better!  
And why not make it four?

Two can do much more.  
Three's even better!  
And why not make it four

Let's raise up a banner,  
Let's hold out our hands.  
Let's love the children  
Of each and every land!
